

## ***Historia* Submissions Requested**

Dear Members

The Australian Council of PHAs (ACPHA) is preparing a third edition of *Historia*, our very well received email newsletter. *Historia* keeps members up to date with what is happening within the ACPHA membership and what is happening in the wider industry. When appropriate it will also be sent to 'stakeholders' including potential employers so they can see the range of activities professional historians are involved in.

Content may include:

- News and events
- Recent publications
- Member profiles
- Industry announcements
- Resources or useful articles
- Partnership information
- Case studies
- Articles that members have been featured in
- Recently accredited members
- Websites of interest
- Award winners
- Recent exhibitions that members have been involved in

Written pieces should be approx. 500 words in length and submitted in a word document. Images in a jpeg format are welcome and should be forwarded as separate attachments to an email. Bullet points and hyperlinks can also be included in the article.

The closing date for submissions is 12 February 2013. Please forward articles or send any questions you might have to [newsletter@historians.org.au](mailto:newsletter@historians.org.au)

ACPHA would very much appreciate the assistance of Members to make this initiative as successful as possible. We see it as a valuable tool for sharing information as well as promoting all PHAs and the wider history community.
